  - 3. Exmoor at Jacksons Grant PUD amendment (passed 4-0 with favorable recommendation, back to PC on 6/16 for final vote)
- Planning staff is completing review of final draft US 31 Corridor Plan update

### **Engineering**

- The Engineering Department remains healthy and working at full strength
- On Thursday the department performed 10 private development inspections throughout the City
- 12 new right of way permits were issued and 9 inspections took place on existing right of way permits
- 4 new service requests were also received.

# Fire Department

No report today.

# **Information and Technology**

- The ICS Dep't has 14 FTE and 1 PTE
  - o 6 FTE employees are working from home
  - o 1 PTE employees are working from vehicles
  - No reports of sickness at this time
- The ICS GIS group has been working on system training, water meter project, new addressing, and continued work on existing projects
- The ICS Network & Comm's group has been working on tele-meetings, access control system, wireless bridge, public safety communications, radio work, fiber project, fiber locates, and continued work on existing projects
- The ICS Systems group has been working on email system maintenance, new app' testing, certificate project, systems work, continuing to setup new hardware, working with user's issues, and continued work on existing projects

# **Legal Department**

No report today.

# **Human Resources**

- I received several unsolicited reviews of the antibody testing yesterday
  - Everyone is complementary of how well the process is working
- Dave Huffman's report of COVID-19 symptoms in an employee family member is the first potential exposure we've had in a few weeks.
  - No positive employee tests since May 14
- Viral tests continue at a slightly lower level than in the first two months.
- Our new open enrollment system is ready to go in the fall
- The civilian performance appraisal process, which takes place in August and September, is under review now

# **Office of the Controller**

No report today.

### **Parks Department**

No report today.

#### **Police Department**

- CPD had officers dedicated to Monon on foot and bicycle patrol
- Officers provided security and traffic control for one protest in the Arts and Design District
  - o There were 50-60 protesters
  - There were no issues to report

- Officers investigated a burglary on Combs Avenue
  - Cash and jewelry were stolen
- Officers arrested a man for Invasion of Privacy after it was determined he had violated a protective order
  - o He was taken to the Hamilton County Jail

# **Street Department**

- Today's duties for the Street Dept. crews are:
  - 1. Sweeping
  - 2. Patching
  - 3. Hauling sweeper debris from the shop
  - 4. Pouring concrete at various locations
  - 5. Working on Hazel Dell landscape grasses
  - 6. Spraying weeds around town and trees
  - 7. Working on pipe repair work orders
  - 8. Installing more plantings at City Center and Ditch
  - 9. Inspectors with milling and paving contractor
  - 10. Watering flowers adding fertilizer
  - 11. Working on open streetlight/street sign work orders
  - 12. Trash and recycling cans emptied around town and remove gum from sidewalks
  - 13. Cleaning fountain filters
  - 14. Daily Claims
  - 15. Zoom meetings with managers as needed
- Yesterday the Street Dept. did:
  - 1. 66 Line Locates
  - 2. 20 Phone Calls
  - 3. 1 My Carmel App request for service
  - 4. 8 new Service Requests
  - 5. 6 service requests closed
  - 6. 6 New Work Orders
  - 7. 13 Work Orders closed
  - 8. Processed Daily Claims to pay vendors

#### Utilities

- No new health issues to report.
- Utility employees are getting tested and signed up for the anti-body test.
- The Home Place Water Main project has progressed to start work in four neighborhoods off of 111<sup>th</sup> Street between the Monon Trail and Westfield Blvd.
- The sub-divisions are Willowmere, Lady Hamilton Estates, Winding Brook and Echo Crest
  - Total of 74 homes will have access to water when completed.

- The 36" water main is getting close to being completed and is 7 to 10 days away from being put into service.
  - This will allow us to better use our full pumping capacity to meet summertime demands and provide improved overall fire protection for the US 31 Corridor and west to Michigan Road.
- Daily work orders remain very steady and slightly up from the same time period last year.
- Water production also remains in the 11 million gallons per day range.
  - If we do not get rain this weekend, we will be in the 13 to 14 million gallon per day range next week based on historical data.
  - It will be interesting to see if the virus has an impact on summertime irrigation.
- The Household Hazardous Waste site opened this morning at 8:00 a.m.
  - We have had 10 drop offs this morning and several calls asking if we are open.
  - So far it has been manageable with no issues to report.
